

Roller Wizard™

paint roller power washer

Free-Standing Floor Display

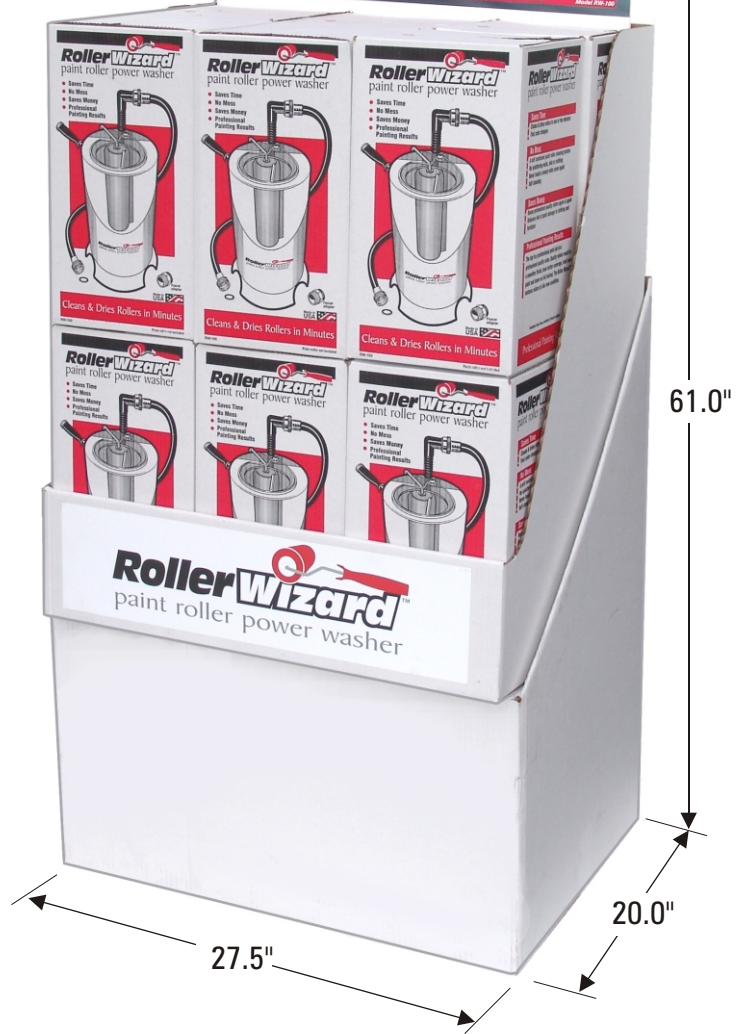

Introducing the ROLLER WIZARD™ - the best paint roller cleaning and drying system ever invented! This system is unlike any other product on the market today.

ROLLER WIZARD™ uses jets of water to strip paint and debris out of your roller, and returns it to like-new condition in less than three minutes. You don't even have to remove the roller sleeve before cleaning!

This system easily works in a kitchen sink, laundry tub, janitors water closet or a floor drain.

Once you see how great the ROLLER WIZARD™ works, you won't believe you ever cleaned up a roller without one!
